Yeah,

Yo!

I'll take
a salad

Sure.

This is net

Continuing
on...

we have a
request
from a
ship out
in space

Great
work
out
there

Not
going
to take
that
off?

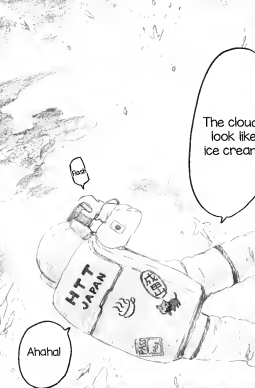

I'm going
to keep
going this
afternoon

"Sinus
Iridum"

Take me to
the starlet

The clouds
look like
ice cream.

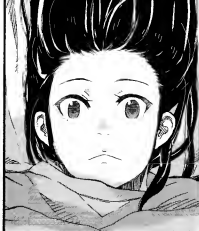

She takes a single
flip backwards

completing a
somersault.

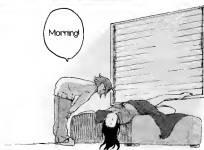

Welcome home to Earth,

"A Morning Song"
Strawberry feelings

Morning!

You got it!

Sure.

I made toast.

Want jam on it?

Mmm

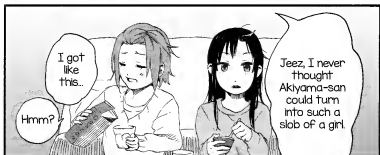

Yawn

I got a little used to being out in space

That's an interesting way to sleep

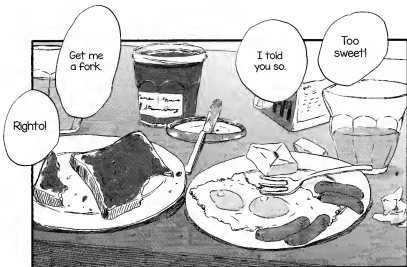

That made it worth seeing.

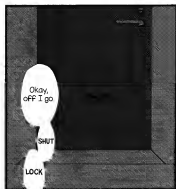

"Gyah!"

Bonus
Stage

Flowers
sure are
sweet.

That was
only the wind
blowing...

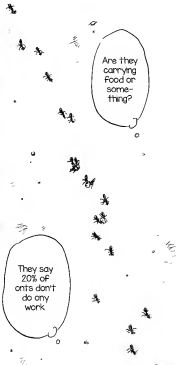

Ahh... How
strange.

"An Unbearable,
Sweet Season"

Diamond Line I

but I
desperately
want to hold
her tight.

Sorry,
that didn't
go well.

It's the
first time
I've felt this
way, so I
don't know
what to do.

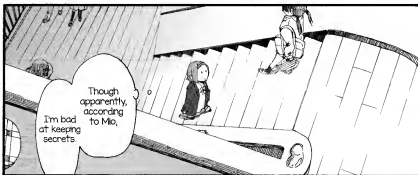

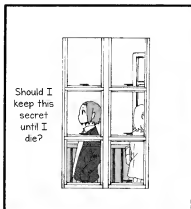

At some
point I
stopped
being
normal.

But I'm
keeping a
secret,
and I feel
uneasy

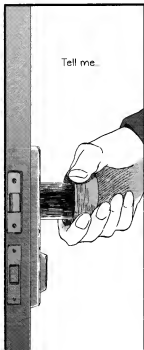

I'm not
doing
anything
wrong.

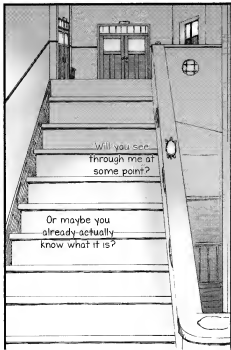

It's probably the
biggest one I've
ever had

Hey, Mio
I'm keeping a
secret from you
right now

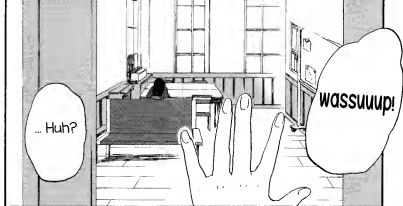

Tell me

Will you see
through me at
some point?

Or maybe you
already actually
know what it is?

I'll play a trick on her.

She cut her nails too far back.

She's smart and good looking.

Everyone looks up to her.

I think I see a shortcoming!

I'd end
up placing
blame on
them.

If I only decided
what to do

after hearing
someone say
this is
wrong...

Whether it's right
or wrong

the one certain thing
is that I treasure the
girl who's at the tip
of my finger.

please find a way
to not hate me.

Miiiooooo~

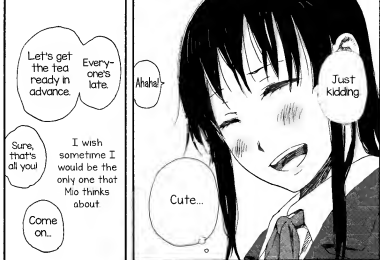

You can get
angry at me.

You can be
troubled by me.

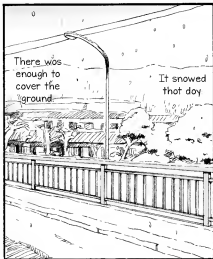

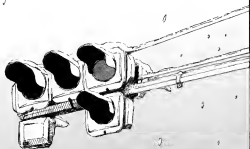

But...

"A Melodious Guide"
Diamond Line 2

I guess you
could call it
greedy or
unfair.

Trying to
confirm
something
I've already
received
once...

I don't
know what
I should
do.

Ahhh...

I can't speak
right all of a
sudden.

told me
that she
loved
me

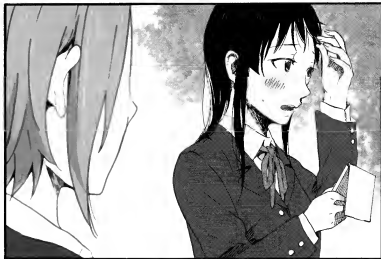

Today,
the girl
I love

I can't
piece the
memories
together
well, from
when we
met until
today.

I can't
remember
when it was
exactly

that I started to
feel a pleasantly
odd feeling when
she looked at me.

At some
point...

I realized, deep
down, that as she
looked at me

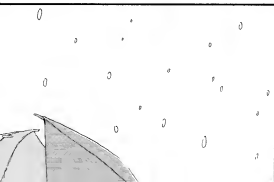

I felt more warmth in her gaze
than I would from a hot springs.

I'm greedy,
and unfair.

I've lost
sight of
who I am.

I can't stop
myself.

It must be embarrassing for
you to fall in love.

Yeah,
that's
right.

You're
crazy!

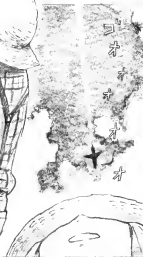

what
are you
thinking.
Mo?
We're out
in public!

What..

Eh?

But that's
all okay
with me.

"Clear Weather
At The Beach"
Alright

"Unforgettable
Flowers and
Rainbows"

Ah,
you're
up.

Thanks.

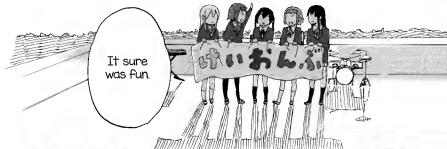

Don't
mention
it.

I woke
up early
today.

Yeah.

You fell
asleep
fast.

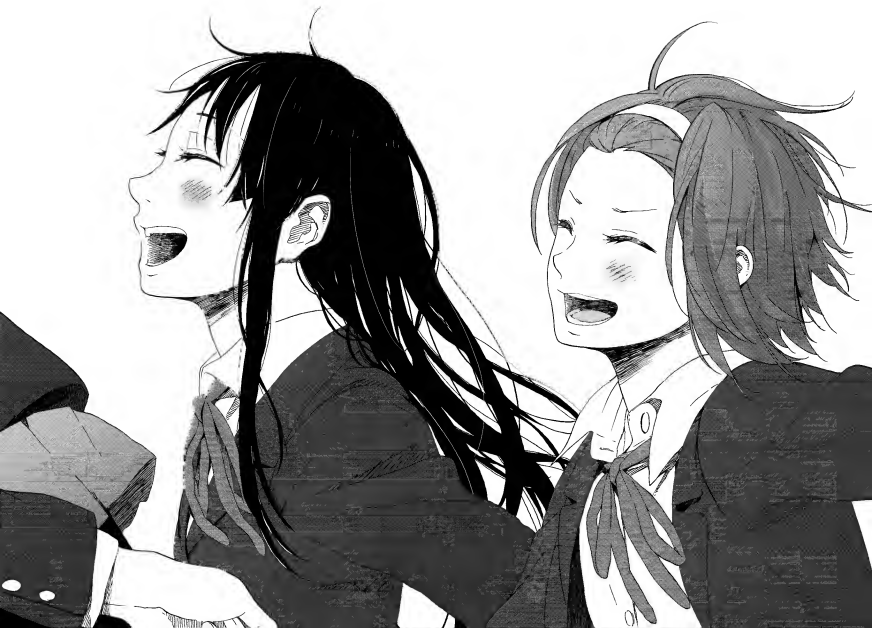

Unforgettable Flowers and Rainbows

I Love you
